Castor XC-XHC100, Blue, UNC 1 1/4 x 8,46/118-UNC 1 1/4 x 3,35, AISI 304

ARTICLE NUMBER 1020050

The design- and patent-protected XC-XHC certified hygienic castor with levelling spindle is the optimal choice for machinery and equipment subject to strict hygiene requirements. The XC-XHC features a fixed castor construction that ensures stability and easy cleaning.

As part of the certified hygienic castor range, it helps minimise the risk of cross-contamination in hygienically sensitive environments.

The spindle thread is fully enclosed in a hygienic sleeve.

All spindle components are 100% hygienically sealed using blue seals detectable by standard scanning systems.
