Sleeve RHOX M20 x 50, 2 flats, AISI 304, Blue Silicone

ARTICLE NUMBER 1016449

RHOX sleeves are designed to provide hygienic protection for exposed threads, ensuring sanitary conditions in environments where cleanliness is critical. These sleeves are ideal for covering exposed threads on various equipment, preventing the accumulation of contaminants and ensuring compliance with stringent hygiene standards.

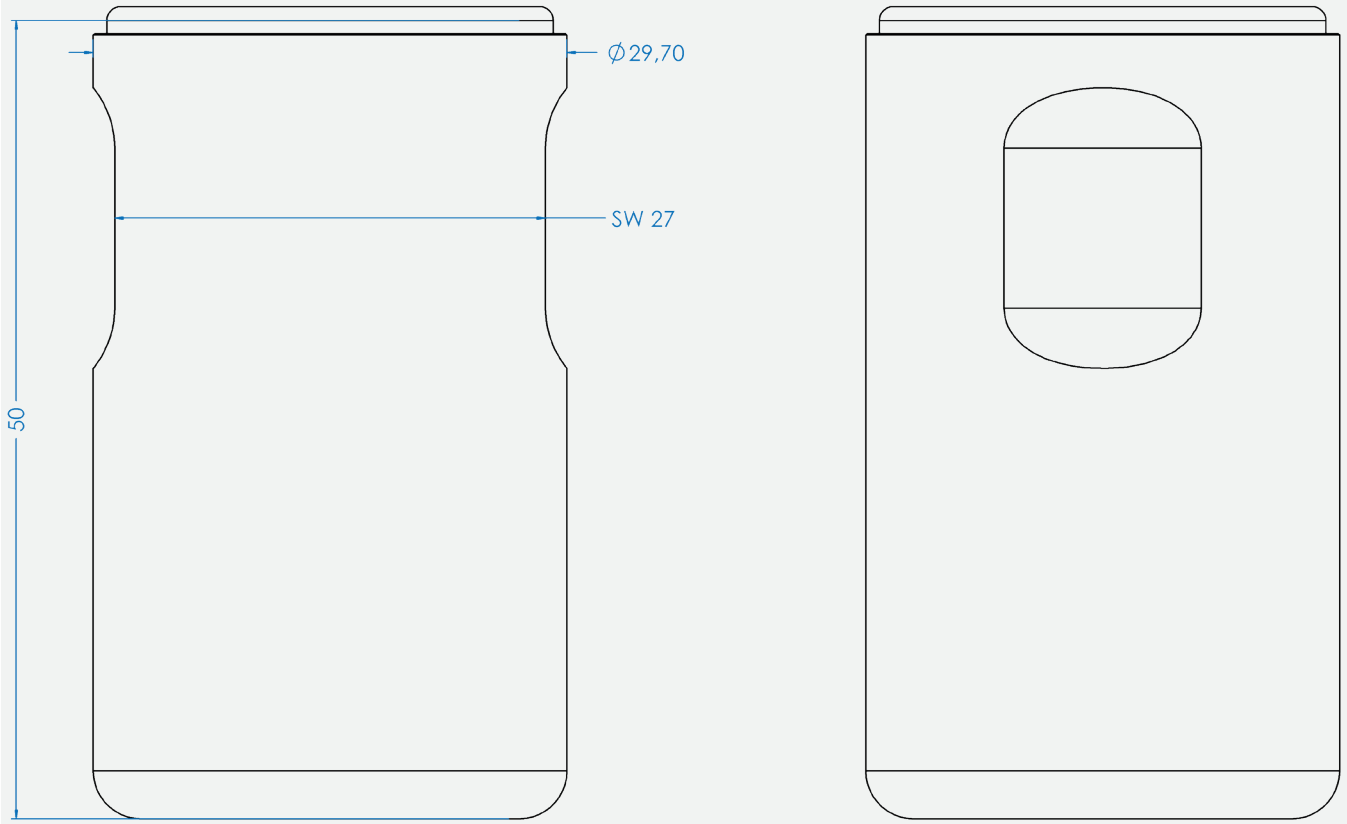

Constructed from high-quality AISI 304 or AISI 316 stainless steel, RHOX sleeves are available in both metric and imperial sizes, catering to a wide range of applications.

Standard thread options include Metric C, Metric F, UNC, UNF, BSPP, and ACME. Sizes range from M12 to M64, with other sizes available upon request.

Technical specifications

Drawing no.	NGI 273383	
Net weight	142 g	
Sleeve diameter	29.70 mm	1.17"
Sleeve length	50 mm	1.97"
Sleeve length total	50 mm	1.97"
Thread size	M20	
Thread standard	Metric C
