Spacer SRXH Ø30x25-Ø10.20, AISI 304, 2, Blue NBR

ARTICLE NUMBER 1020353

We can offer hygienic spacers with blue NBR rubber seals. The NBR rubber seal blocks out water and bacteria and prevents a non-hygienic metal-to-metal assembly.

A high focus on hygienic design ensures that the equipment can be cleaned behind and around all components.

With our hygienic spacers, we provide:

- Reduced cleaning time
- Reduced chemical and water consumption
- Enhanced food safety
- Plug & Play installation
- Stainless steel and with blue NBR rubber sealings
- Customer-specific sizes available with short delivery times

Technical specifications
